DEARBORN 0148

CHICAGO 2, ILLINOIS

Lots may be inspected at our offices any time up to one day prior to the sale.

CONDITIONS OF THE SALE

All lots are sold as lots, and not per piece. Regardless of the number of pieces in the lot, bid the total price you would pay **for the lot**.

Each lot has been carefully examined, and every effort has been made to describe the lot accurately and carefully. Any errors that may unavoidably creep in will be rectified. This sale is made up of mainly the collections of two individuals. These people had only the finest possible coins in their collections. When a coin is described as brilliant uncirculated, it really is bright, sharp, and beautiful. Once in a while the word "GEM" is used—not very often, however. This would indicate super-perfection, or an item that is extraordinary superb.

No charge is made the bidder for buying at this sale, but postage and insurance will be added to the total.

The right is reserved to withdraw any lot, where errors may occur.

Claims for errors must be made within five days after receipt of the coins. We ask you to pay for the lots promptly, because we in turn have promised to pay the owners promptly.

The prices as listed after the description of the items, are taken from the 1945 Standard Catalog, or else they are the estimated values that the lot might be expected to bring. You may, however, bid as low or as high as you wish. Extremely low bids are a waste of time because choice coins are scarce these days. Extremely high bids will be purchased for you at a lower price if at all possible. You will be sold the lot at a 5% advance over the next highest bid. At our last sale, many of our customers purchased at lower prices than they had bid.

Bids will be advanced 5% over the next highest bid. A bid of \$2.00 must be advanced to \$2.10. The sum of \$2.01 or \$2.06 will not buy the lot upon which someone has bid \$2.00. A bid of \$3.00 must be advanced to \$3.15. A bid of \$5.00 to \$5.25. A bid of \$100.00 to \$105.00. **THIS IS IN FAIRNESS TO ALL—IT PROTECTS THE MAIL BIDDER FROM HAVING A \$7.00 LOT SNITCHED AWAY FROM HIM BY SOME ONE ON THE FLOOR BIDDING \$7.10.**

In fairness to all concerned, we do not accept "buy" or "unlimited" bids. The reason: What would we do if we had several "unlimited" bids on the same lot—who should get it? We simply ask you to put down the **absolute maximum**, and we will honestly guarantee to buy it for you as much lower as the next bidder will permit.

All bids are entered and executed in the order in which they are received, and all transactions are held in the strictest confidence.
